Meeting called to order

(The aggregate shares of the shareholders present in person or by proxy constituted a quorum.)

Chairman's address (Omitted)

Reporting items

1. 2018 business operations (Omitted)
2. 2018 financial statements (See Attachment I)
3. The Audit Committee's review report of 2018 business operations and financial statements
(See Attachment II)
4. 2018 employees' compensation and Directors' remuneration (Omitted)
5. Information of the corporate bonds issued in 2018 (Omitted)

Approval items

1. To accept 2018 business report and financial statements

The Board of Directors proposes and recommends that each shareholder vote FOR the acceptance of 2018 business report and financial statements.

Explanatory Notes:

- i. FENC's 2018 business report and financial statements (including consolidated balance sheets, consolidated statements of comprehensive income, consolidated statements of changes in equity, consolidated statements of cash flows, and balance sheets, statements of comprehensive income, statements of changes in equity, statements of cash flows) have been audited by independent auditors, Mr. Shih Jing-Bin and Mr. Kuo Cheng-Hung of Deloitte & Touche, and have been examined by and determined to be correct and accurate by the Audit Committee of FENC. We thereby submit this report.
- ii. The 2018 business report, independent auditors' reports, Audit Committee's report, and the aforesaid financial statements are attached as Attachments I and II.
- iii. Please accept the aforesaid business report and financial statements.

Voting Results: 4,917,338,750 shares were represented at the time of voting (including e-voting); 4,566,964,582 shares voted for the proposal, representing 92.88% of the total represented shares, 98,739 shares voted against the proposal, while 350,275,429 shares voted abstention the proposal.

RESOLVED, that the 2018 business report and financial statements be and hereby were accepted as submitted.

2. To approve the proposal for distribution of 2018 profits

The Board of Directors proposes and recommends that each shareholder vote FOR the distribution of 2018 profits.

Explanatory Notes:

- i. Cash dividends to common shareholders: NT\$9,635,175,409. (NT\$ 1.8/share)
- ii. This profit distribution will be distributed first from the earnings available for distribution in 2018 and then from the unappropriated earnings between 1998 and 2017 when there is a shortfall; furthermore, if there is still a deficit, the unappropriated earnings prior to the end of 1997 will be employed.
- iii. After being approved at the Annual General Shareholders' Meeting, the cash dividends to common shareholders will be distributed on a record date to be determined by the Chairman granted full authority from the Board of Directors. Should FENC subsequently repurchase its common shares or issue new common shares according to the relevant regulations, the total number of common shares outstanding may change, and the ultimate cash to be distributed to each common share may need to be adjusted accordingly. It is proposed that the Board of Directors of FENC be authorized to adjust the cash to be distributed to each common share based on the total amount of profits resolved to be distributed and the number of actual common shares outstanding on the record date for distribution.

iv. Please refer to the following table for the 2018 profit allocation proposal

(Unit: NT\$)

1. Net income of 2018	12,028,294,102
2. Legal reserve	1,202,829,410

4. Effect of retrospective application and retrospective restatement	3,067,232,687
5. Adjustments due to changes in other comprehensive income	418,984,687
6. Special reserve	1,089,437,013
7. Reversal of special reserve	6,535,747
8. Unappropriated earnings of previous years	4,068,681,789
Earnings available for distribution as of 31 December 2018 (1-2-3+4+5-6+7+8)	15,705,148,858
Distribution item:	
1. Shareholders' dividend (NT\$ 1.8/share in cash)	9,635,175,409
Total distribution	9,635,175,409
Unappropriated earnings	6,069,973,449

v. Please approve the aforesaid proposal for the distribution of 2018 profits.

Voting Results: 4,917,338,750 shares were represented at the time of voting (including e-voting); 4,580,810,608 shares voted for the proposal, representing 93.16% of the total represented shares, 112,822 shares voted against the proposal, while 336,415,320 shares voted abstention the proposal.

RESOLVED, the proposal for distribution of 2018 profits be and hereby was accepted as proposed.

Proposed resolution

1. To approve amending the company bylaw of “Procedures for Lending of Capital to Others of Far Eastern New Century Corporation”

The Board of Directors proposes and recommends that each shareholder vote FOR the amendments of Procedures for Lending of Capital to Others.

Explanatory Notes:

- i. In accordance with the Letter No. FSC 1080304826 issued by the Financial Supervisory Commission on 7 March 2019, which is to amend some articles of “Regulations Governing Loaning of Funds and Making of Endorsements/Guarantees by Public Companies”, it is proposed to amend Article 2 and 8 of “Procedures for Lending of Capital to Others of Far Eastern New Century Corporation”.
- ii. The overview table for the “Procedures for Lending of Capital to Others of Far Eastern New Century Corporation” Before and After amendments is as follows.

Section	Proposed Changes	Current Articles	Description
Article 2	<p>(Limits on the Total Amount of Lending and Respective Subjects)</p> <p>The total amount of loans extended by the Company to the Borrowers as set forth in Article 1 above shall not exceed fifty percent (50%) of the net worth of the last period audited or reviewed by its accountants ("the Company's Latest Net Worth").</p> <p>The total amount of loans extended by the Company to the Business Partners shall not exceed the thirty-five percent (35%) of the Company's Latest Net Worth; the separate amount shall not exceed the business transactions between both parties. Total amount involved in the business transactions refers to the value represented by orders placed, sales or transactions contemplated by the parties in the most recent year.</p> <p>The total amount of loans extended by the Company to all Companies Seeking Short-Term Financing shall not exceed fifteen percent (15%) of the Company's Latest Net Worth. The amount of any individual loan hereunder shall not exceed five percent (5%) of the Company's Latest Net Worth.</p> <p><u>The lending of capital between the overseas companies, whose voting</u></p>	<p>(Limits on the Total Amount of Lending and Respective Subjects)</p> <p>The total amount of loans extended by the Company to the Borrowers as set forth in Article 1 above shall not exceed fifty percent (50%) of the net worth of the last period audited or reviewed by its accountants ("the Company's Latest Net Worth").</p> <p>The total amount of loans extended by the Company to the Business Partners shall not exceed the thirty-five percent (35%) of the Company's Latest Net Worth; the separate amount shall not exceed the business transactions between both parties. Total amount involved in the business transactions refers to the value represented by orders placed, sales or transactions contemplated by the parties in the most recent year.</p> <p>The total amount of loans extended by the Company to all Companies Seeking Short-Term Financing shall not exceed fifteen percent (15%) of the Company's Latest Net Worth. The amount of any individual loan hereunder shall not exceed five percent (5%) of the Company's Latest Net Worth.</p> <p><u>The accumulated balance of short-term loan of funds provided by the Company</u></p>	<p>Considering the fact that the paragraph 4, Article 3 of “Regulations Governing Loaning of Funds and Making of Endorsements/Guarantees by Public Companies” (the Regulation) allows overseas companies, whose voting shares are 100%-owned, directly or indirectly, by the Company, to lend capital to the Company without the restriction of “40% of the Company's net worth” and “1 year period”, therefore amend paragraph 4 of this Article.</p>

Section	Proposed Changes	Current Articles	Description
	<p>shares are 100%-owned, directly or indirectly, by the Company, or the lending of capital lent by aforesaid overseas companies to the Company, if it could be defined as Seeking Short-Term Financing, shall not be limited by "the total amount of loans extended by the lender shall not exceed the forty percent (40%) of lender's Net Worth" and "one (1) year period". Provided that, the total amount of loan, the amount of any individual loan and loan period shall comply with the lender's procedures for lending of capital to others.</p> <p>The financial reports of the Company are prepared according to IFRSs, the net worth in the Procedures is referred to the balance sheet equity attributable to the owners of the parent company under the Regulations Governing the Preparation of Financial Reports by Securities Issuers.</p>	<p>to any overseas subsidiary, over which the Company owns directly or indirectly 100% voting shares, the separate and total amount of loans of funds to the Company seeking need short-term financing, shall comply with the lender's procedures for lending of capital to others.</p> <p>The financial reports of the Company are prepared according to IFRSs, the net worth in the Procedures is referred to the balance sheet equity attributable to the owners of the parent company under the Regulations Governing the Preparation of Financial Reports by Securities Issuers.</p>	
Article 8	<p>(Procedure for Public Notices and Announcement)</p> <p>The Company shall before the 10th day of each month publish and report the loans it and its subsidiaries extended and their balance amounts as of the end of last month.</p> <p>When limits of the Company's loans extended set below have occurred, the Company shall publish and report them within 2 days commencing immediately from the date of occurrence:</p> <ol style="list-style-type: none"> 1) The balance of any and all loans extended by the Company and its subsidiaries has reached 20% of the Company's Latest Net Worth; or 2) The balance of loans extended by the Company and its subsidiaries to an individual company has reached 10% of the Company's Latest Net Worth; or 3) Any additional individual loan extended by the Company or its subsidiary exceeds NT\$10 million and has reached 2% or more of the 	<p>(Procedure for Public Notices and Announcement)</p> <p>The Company shall before the 10th day of each month publish and report the loans it and its subsidiaries extended and their balance amounts as of the end of last month.</p> <p>When limits of the Company's loans extended set below have occurred, the Company shall publish and report them within 2 days commencing immediately from the date of occurrence:</p> <ol style="list-style-type: none"> 1) The balance of any and all loans extended by the Company and its subsidiaries has reached 20% of the Company's Latest Net Worth; or 2) The balance of loans extended by the Company and its subsidiaries to an individual company has reached 10% of the Company's Latest Net Worth; or 3) Any additional individual loan extended by the Company or its subsidiary exceeds NT\$10 million and has reached 2% or more of the 	<p>Since the nature of lending capital cannot be defined as a transaction, therefore amend paragraph 5 of this Article in accordance with paragraph 2, Article 7 of the Regulation.</p>

Section	Proposed Changes	Current Articles	Description
	<p>Company's Latest Net Worth.</p> <p>The Company shall announce and report on behalf of any subsidiary thereof that is not a public company of the Republic of China any matters that such subsidiary is required to announce and report pursuant to item 3 of the preceding paragraph.</p> <p>The "public announcement and report" referred to herein shall be those entered into the web-site designated by the Financial Supervisory Commission for reporting information.</p> <p>"Date of occurrence" in these Procedures means the date of contract signing, date of payment, dates of Boards of Directors' resolutions, or other date that can confirm the counterparty and monetary amount of the <u>loans</u>, whichever date is earlier.</p> <p>The Company shall assess the status of loans extended and reserve an appropriate amount to offset against bad loans. The Company shall furthermore disclose the relevant information in its financial statements and provide the chartered accountants with relevant materials for them to carry out the necessary audit processes.</p>	<p>Company's Latest Net Worth.</p> <p>The Company shall announce and report on behalf of any subsidiary thereof that is not a public company of the Republic of China any matters that such subsidiary is required to announce and report pursuant to item 3 of the preceding paragraph.</p> <p>The "public announcement and report" referred to herein shall be those entered into the web-site designated by the Financial Supervisory Commission for reporting information.</p> <p>"Date of occurrence" in these Procedures means the date of contract signing, date of payment, dates of Boards of Directors' resolutions, or other date that can confirm the counterparty and monetary amount of the <u>transaction</u>, whichever date is earlier.</p> <p>The Company shall assess the status of loans extended and reserve an appropriate amount to offset against bad loans. iii. Please approve the proposal for the amendments to "Procedures for Acquisition and Disposition of Assets of Far Eastern New Century Corporation".

Voting Results: 4,917,338,750 shares were represented at the time of voting (including e-voting); 4,577,915,614 shares voted for the proposal, representing 93.10% of the total represented shares, 122,958 shares voted against the proposal, while 339,300,178 shares voted abstention the proposal.

RESOLVED, the proposal for the amendments to "Procedures for Acquisition and Disposition of Assets of Far Eastern New Century Corporation" be and hereby was accepted as proposed.

4. To elect an Independent Director of Far Eastern New Century Corporation

The Board of Directors proposes and recommends that each shareholder elect an Independent Director.

Explanatory Notes:

- i. The Board of Directors resolved that an Independent Director to be elected at this Annual General Shareholders' Meeting due to fill the vacancy of the Independent Directors of the Company.
- ii. In accordance with Article 16 of the "Articles of Incorporation of Far Eastern New Century Corporation", one Independent Director shall be elected with a term beginning from the date being elected until 28 June 2021.
- iii. The candidate will be nominated by the candidate nomination system. The Board of Directors or any shareholder with 1% shareholding or more are entitled to nominate a candidate. The period for candidate nomination of an Independent Director to be elected in this coming Shareholders' Meeting is from 20 April 2019 to 29 April 2019. During this period, the 23rd term Board of Directors has received the nomination of an Independent Director candidate from shareholder Asia Cement Corporation Limited. The Board has resolved the candidate met requirements and qualifications of Independent Directors in the 5th Board meeting on 10 May 2019. Please refer to the following table for the candidate.

No.	Type	Candidate	Education	Major Experiences	Current position	No. of shares held	Name of Institutional Shareholders

2018 Independent Auditors' Report

(English Translation of a Report Originally Issued in Chinese)

The Board of Directors and Shareholders
Far Eastern New Century Corporation

Opinion

We have audited the accompanying consolidated financial statements of Far Eastern New Century Corporation (the "Company") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2018 and 2017, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2018 and 2017, and its consolidated financial performance and consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The description of the key audit matters of the consolidated financial statements for the year ended in December 31, 2018 are as follows:

Fair Value Evaluation of Investment Property

As of December 31, 2018, the Group's total investment property was NT\$124,816,527 thousand, which represented 22% of the consolidated total assets. In 2018, the gain on change in fair value of investment property was NT\$646,390 thousand, which represented 3% of the consolidated income before income tax. The items mentioned above are considered to be significant for consolidated financial statements as a whole. The Group's investment properties were subsequently measured

using the fair value model. The fair value evaluation involved significant accounting estimation and judgment. As a result, the fair value evaluation of investment property is considered to be a key audit matter.

For the accounting policies, significant accounting judgment, evaluation, and assumptions on the main source of uncertainty related to investment property, refer to Notes 4 (k) and 5 (c) of the consolidated financial statements. For more information about the Group's investment property, refer to Note 21 of the consolidated financial statements.

For the fair value evaluation of investment property, we performed the corresponding audit procedures as follows:

1. We assessed the competencies and independence of the external valuer engaged by the management and discussed with the management the valuer's work scope and process of engagement acceptance to evaluate the risk of the possible impairment of the valuer's independence and evaluated whether the valuer's work scope was free from limiting factors.
2. We assessed the reasonableness of the valuer's assumptions and methods used in the valuation.
3. We audited items from management's supporting documentation, including data which was used in the valuation process by the valuer.

Evaluation of Impairment Loss of Property, Plant and Equipment and Intangible Assets (Including Goodwill) and the Incremental Costs of Obtaining a Contract in Telecommunications Department

The Group's telecommunications department faces a highly competitive market condition and a rapidly changing environment. Economic trends, market competition, and technological development influence the management's evaluation of and judgment on the expected economic benefits and recoverable amounts of the cash-generating units to which the assets belong, which in turn is used for the evaluation of such assets' impairment. Thus, the evaluation of impairment of property, plant and equipment and intangible assets (including goodwill) and the incremental costs of obtaining a contract in the telecommunications department is considered to be a key audit matter.

For the estimates and judgments related to property, plant and equipment and intangible assets as well as the incremental costs of obtaining a contract, refer to Notes 4 (l and o) and 5 (a and b) of the consolidated financial statements. For other related disclosures, refer to Notes 20 and 22 of the consolidated financial statements.

For the evaluation of impairment loss related to property, plant and equipment and intangible assets (including goodwill) as well as the incremental costs of obtaining a contract in the telecommunications department, we performed the corresponding audit procedures as follows:

1. We obtained an understanding of the Group's asset impairment evaluation processes and of the design and implementation of the related controls.
2. We obtained the Group's asset impairment evaluation reports for each cash-generating unit.
3. We evaluated the reasonableness of the Group's identification of the assets which were considered impaired and the assumptions and sensitivity analysis used in the asset impairment assessments, including the appropriateness of the classification of the cash-generating units, cash flow forecasts and discount rates used.

Recognition Mobile of Telecommunications Service Revenue

The mobile telecommunications service revenue is the main source of revenue of the Group's telecommunications department. The calculation of mobile telecommunications service revenue relies heavily on automated systems and includes complicated and huge amounts of data transmission.

In order to meet market demands and remain competitive, the Group often launches different combinations of products and services which make the calculation of revenue more complex and directly affects the accuracy and timing of revenue recognition. Therefore, the recognition of mobile telecommunications service revenue is considered to be a key audit matter.

For the accounting policies related to mobile telecommunications service revenue, refer to Note 4 (s) of the consolidated financial statements.

For recognition of mobile telecommunications service revenue, our corresponding audit procedures were as follows:

1. We obtained an understanding of the Group's recognition of mobile telecommunications service revenue and the design and implementation of the related controls.
2. We reviewed the contracts of mobile subscribers to confirm the accuracy of the information in the billing system.
3. We performed dialing tests to verify the accuracy and completeness of the traffic data and information in the switch equipment.
4. We tested the accuracy of the billing calculation.
5. We tested the completeness and accuracy of the calculation and billing of monthly fees and airtime fees.
6. We tested the completeness and accuracy of the calculation and billing of value-added service fees.

For the revenue recognition of billed and unbilled amounts, we conducted the following tests:

1. For the billed amounts, we checked whether there was any difference between the reports generated from the accounting system and the billing system.
2. For the unbilled amounts, we recalculated the service revenue for services provided as of the balance sheet date based on the applied charge rates to confirm the accuracy of the amounts.

In addition, we evaluated manual journal entries posted to revenue accounts, by sampling test of entries with specific risk, and compared details of these journal entries with the relevant underlying documentation to evaluate the reasonableness and accuracy of these selected entries.

Other Matter

We have also audited the parent company only financial statements of Far Eastern New Century Corporation for the years ended December 31, 2018 and 2017 on which we have issued unmodified opinions.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial

statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ching-Pin Shih and Cheng-Hung Kuo.

Deloitte & Touche

Independent auditors' report

(English Translation of a Report Originally Issued in Chinese)

The Board of Directors and the Shareholders
Far Eastern New Century Corporation

Opinion

We have audited the financial statements of Far Eastern New Century Corporation (the "Company"), which comprise the balance sheets as of December 31, 2018 and 2017, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018 and 2017, and its financial performance and cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The description of the key audit matters of the financial statements for the year ended in December 31, 2018 are as follows:

Fair Value Evaluation of Investment Properties (Including Investment Properties Held by Subsidiaries Which Are Accounted for Using the Equity Method)

The Company's investment properties (including the investment properties held by subsidiaries which are accounted for by using the equity method) are subsequently measured using the fair value model. The fair value evaluation involves significant accounting estimations and judgment, and the recognition of fair value fluctuations significantly impacts the gains or losses on the changes in fair value of investment properties and the share of profit or loss of subsidiaries and associates. As a result, the fair value evaluation of investment properties (including the investment properties held by subsidiaries which are accounted for by using the equity method) is considered a key audit matter.

For the accounting policies, significant accounting judgment, estimations, and assumptions of the main sources of uncertainty related to investment properties, refer to Notes 4(i) and 5 of the accompanying financial statements. For more information about the Company's investment properties, refer to Note 13 of the financial statements.

For the fair value evaluation of investment properties, our corresponding audit procedures were as follows:

1. We assessed the competencies and independence of the external valuer engaged by the management and discussed with the management the valuer's work scope and process of engagement acceptance to evaluate the risk of the possible impairment of the valuer's independence and evaluate whether the valuer's work scope was free from limiting factors.
2. We assessed the reasonableness of the valuer's assumptions and methods used in the valuation.
3. We audited items from management's supporting documentation, including data which was used in the valuation process by the valuer.

Evaluation of Impairment Loss of Property, Plant and Equipment and Intangible Assets (Including Goodwill) and the Incremental Costs of Obtaining a Contract from the Company's Subsidiaries' Equity-Method Investee

The Company's subsidiaries' equity-method investee, Far EasTone Telecommunications Corporation ("Far EasTone"), is a material component. Far EasTone is in the telecommunications industry which is a highly competitive industry with a rapidly changing environment. Economic trends, market competition, and technological development influence the management's evaluation of and judgment on the expected economic benefits and recoverable amounts of the cash-generating units to which the assets belong, which in turn is used for the evaluation of such assets' impairment. The management's evaluation and judgment of related assets' impairment would impact the share of profit or loss of subsidiaries and associates. As a result, the evaluation of impairment loss of property, plant and equipment and intangible assets (including goodwill) and the incremental costs of obtaining a contract from the Company's subsidiaries' equity-method investee is considered a key audit matter.

For the evaluation of impairment loss related to property, plant and equipment and intangible assets as well as the incremental costs of obtaining a contract from the Company's subsidiaries' equity-method investee, our corresponding audit procedures were as follows:

1. We obtained an understanding of the asset impairment evaluation processes and of the design and implementation of the related controls.
2. We obtained the asset impairment evaluation reports for each cash-generating unit.
3. We evaluated the reasonableness of the identification of the assets which were considered impaired and the assumptions and sensitivity analysis used in the asset impairment assessments, including the appropriateness of the classification of the cash-generating units, cash flow forecasts and the discount rates used.

Recognition of Mobile Telecommunications Service Revenue from the Company's Subsidiaries' Equity-Method Investee

The Company's subsidiaries' equity-method investee, Far EasTone Telecommunications Corporation ("Far EasTone"), is a material component. The mobile telecommunications service revenue is the main source of the revenue of Far EasTone. The calculation of the mobile telecommunications service revenue relies heavily on automated systems and includes complicated and huge amounts of data transmission. In order to meet market demands and remain competitive, the Company often launches different combinations of products and services which make the calculation of revenue more complex and directly affects the accuracy and timing of revenue recognition. The recognition of mobile telecommunications service revenue impacts the share of the profit or loss of subsidiaries and associates. As the result, the recognition of mobile telecommunications service revenue is considered a key audit matter.

For recognition of mobile telecommunications service revenue, our corresponding audit procedures were as follows:

1. We obtained an understanding of the recognition of mobile telecommunications service revenue and the design and implementation of the related controls.
2. We reviewed the contracts of mobile subscribers to confirm the accuracy of the information in the billing system.
3. We performed dialing tests to verify the accuracy and completeness of the traffic data and information in the switch equipment.
4. We tested the accuracy of the billing calculation.
5. We tested the completeness and accuracy of the calculation and billing of monthly fees and airtime fees.
6. We tested the completeness and accuracy of the calculation and billing of value-added service fees.

For the revenue recognition of billed and unbilled amounts, we conducted the following tests:

1. For the billed amounts, we checked whether there was any difference between the reports generated from the accounting system and the billing system.
2. For the unbilled amounts, we recalculated the service revenue for services provided as of the balance sheet date based on the applied charge rates to confirm the accuracy of the amounts.

In addition, we evaluated manual journal entries posted to revenue accounts, by sampling test of entries with specific risk, and compared details of these journal entries with the relevant underlying documentation to evaluate the reasonableness and accuracy of these selected entries.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ching-Pin Shih and Cheng-Hung Kuo.

The Audit Committee's Review Report

To the 2019 General Shareholders' Meeting of Far Eastern New Century Corporation,

In accordance with Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we have examined the Business Report, Financial Statements, and the Resolution for Allocation of Surplus Profit submitted by the Board of Directors for the year ending 2018 which had been audited by Deloitte & Touche, and found them in order.

The Convener of the Audit Committee: Bing Shen

10 May 2019
